**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please preserve the ability of local internet providers to compete against large corporations. Local internet providers often provide excellent customer service and invest in their communities. Let consumers have a choice more than just one or two large corporations, especially in under served, small communities that larger internet providers often provide very limited service to.
